The Story:

I had seen Tara (or Alex, as she was known then) many times, over several years until she disappeared at the end of 2007. I was very pleased to see her photos back on the Affair Girls website (and others) recently and was soon on the phone to arrange an appointment. I had to try a couple of times but finally managed to make the booking and I'm glad I did. Her previous Field Reports are mixed, some verging on the ecstatic (with which I agree) and others being distinctly underwhelmed. I rarely see a working girl more than once and the fact that I have seen Tara (Alex) about 15 times over a period of three years + (until she left at the end of 2007) is indicative of my views of her services. I was certainly not disappointed on this occasion. Tara provides a wide range of uninhibited services and although her photos are dated, and she is what one would call a mature lady, she still looks extremely good and is capable of providing a first class service which is hard to find nowadays. I definitely will be back to see Tara again.
