### The Premises:

Nice clean and tidy flat in a modern block a couple of minutes from Woking station. One of those places where random people are coming and going all the time so you pass entirely unnoticed.

### The Lady:

The website photos are of her, but really don't do her justice. She is very, very pretty and has the most delicious body. She says she is on a diet for the bikini season, but I really don't know where any weight loss is going to come from - let's hope it's not from her boobs, which are the 8th wonder of the world ! She is tight all over, and within ;)

### The Story:

This was a great punt.

Jessie is a lovely friendly girl who really gets into it. She has a charming West Country accent and an endearing habit of asking permission - "Can I suck your cock now ?", "Can I fuck you ?" to which is the only possible answer is a gasping "YES, YES !!!". She gives a wicked BBBJ and took my fortnight's worth load in her mouth with a smile. Likes to talk dirty too.

Only thing missing for me (a minor thing, to be honest) was no A-levels, which she does not offer because she says is too tight. Well, I only managed to get my middle finger in there so can confirm she is definitely not kidding.

Excellent value all in all and I will return.
