The Story:

Wanted to see meme from thailand but not available so I chose Anna which was a big mistake should have gone with my instinct and waited.

Paid for one hour only managed oral without bit of tit sucking. Did not do french kissing as advertised and just lay on bed like a piece of meat. After a bit of persuasion let me finger her. came with oral without but did not cum or cof as advertised. One of the worst punts ever should have gone for quick 20min service for 40 quid. May visit parlour cos I fancied meme after I left room caught a glimpse of her.
