The Premises:

Fantasia is a parlour located on the main road in Attercliffe, Sheffield. The inside is basic but appears clean. The only concerning thing about this place is the fact that the entrance is on the main road but there is a small porch area to wait in whilst someone comes to the door.

The Lady:

Lacey is a beautiful lady, toned and tanned I would guess size 10 with large pert boobs. She has long dark hair and is probsbly around 5'8" tall.

The Story:

She gave me a massage to start which was very pleasant especially when she rubbed her boobs against my back. She opened my legs so she could massage my balls before asking me to turn over. She then proceeded to perform hand relief whilst I played with her boobs. She climbed on top for sex which was great and soon after I climaxed. She was bubbly and chatty the whole time and made me feel at ease.
