The Story:

A first time with Monika so she was a bit nervous of a new face. Stripped her off in front of one of the big mirrors and fingered her from behind at which she got very wet. RO without fingers and then onto the floor for a requested w/s session which she performed enthusiastically. Back to the bed for some vigorous fucking in various positons and covered climax in her tight pussy with her pinned firmly down on the bed. Decent massage while we chatted. Back later in the week for a much longer session and a good pounding
