The Lady:

Lisa is late 30's early 40's, dark hair, slimmish body and busty. Extremely down to earth and friendly.

The Story:

Been punting for the last few years down south but in Glasgow I have had rotten experiences.

Read her reports and decided to give it a go and boy was it good!

Lisa is extremely friendly and whilst she gave me a massage she was being chatty whilst I was fingering her pussy and playing with her erect nipples.

Had some home made porn on which was a real turn on.

Asked her to go down (with) and gave me one of the best BJ's I have ever had - had to make her stop after a short while as nearly shot my load.

She then asked me to fuck her so got her in the mish position and she started to talk really dirty and again nearly came so quickly so asked her to get in the doggy position and then gave her a good hard pounding and shot my load.

I paid for 30 mins but ended up staying 45 mins as we were chatting away.

I have to say in Glasgow at least its very rare for WG's not to rush you and Lisa did not rush at all. In fact I was surprised that she didnt even ask for the money upfront.

The fact she is a mature women she knows how important it is to keep her clients coming back therefore she gives an exceptional experience.

If anyone can recommend a WG who charges ?35 for a full service for 30mins and is not a clock watcher then let me know (very rare) otherwise I will be sticking to Lisa for quite sometime.
