The Premises:

Kiran's flat was very easy to find, however the flat itself was not that great. Not only is it very small, it is not very discrete once inside. It is very overlooked by surrounding buildings and I did not feel 100% comfortable inside.

The Lady:

Kiran is absolutely gorgeous. She is even better than her photos, which is a god thing. She is the kind of Indian girl that you would love to take home with you. Some slight photoshop to her body in the photos but nothing whatsoever to put you off. She also has a couple of lovely tattoos.

The Story:

While I no doubt that Kiran would be up for most things, inc. the more kinkier side of things I just could not put my head or heart 100% into proceedings. To be honest I think an outcall meeting would have produced a more favourable time and unless you want a quick 30/60 minute time then this should be the way to proceed.

I have no hesitation in recommending Kiran, but due to the above i would not go back which is a shame as i'm sure Kiran would become one of London's best. If this review gets back to either the agency or Kiran herself I apologise for not being 100% in the right frame of mind and this is NO reflection whatsoever on Kiran herself.
