The Premises:

New build flat on the south central side of town, with semi-private parking and buzzer access. Very discreet in a way as these new build palces often are. Drive 200M and you are in the hurly burly. Quite plain inside but spacious and with a nice comfy bed, all too rare everywhere in this business.

The Lady:

Tall slim lady of mixed race origin, only betrayed by her facial features. Really nice body, as remarked upon by others, especially nice legs and bum. Wearing nice red heels high enough to level us up and a red basque and stockings. Very chatty and friendly.

The Story:

I was offered a drink when I arrived and we chatted briefly while Sandy tidied the room and generally got it ready. i removed my shoes and sandy progressively removed the rest during a prolonged and very friendly kissing and feeling session. I got full marks for speedy removal of a basque.... this led us to the bed and a very nice two hours.

My nuts were somewhat full when I arrived and I spent most of the first round trying to stop myself coming while prolonging the pleasure for both of us, and i was reasonably successful. When I could take no more Sandy finished me by hand and mouth (she does not offer a cim finish) extracting a quite large load. We then chatted for a while until we were ready to resume the action, which went on in variety of positions, again quite prolonged, to a mish finish. At the end I wondered where all the time had gone, it seems to speed up somehow during intercourse. And intercourse with Sandy is quite special as she is very responsive, clearly enjoys herself, and her clenching pussy almost has a life of its own, holding me back from cumming more than once. And as for the deep throat and ball sucking, well I just loved it but couldn't take too much.

People often talk about this girlfriend experience. Well whatever it is Sandy certainly delivered it. I have had plenty of very nice experiences over the years and this one matched them. Sandy fitted me in at short notice, and I am very glad she did. I will be back!
