The Premises:

Door in between shops, then through another door - It was a bit public. Once inside there was little privacy.... I bumped into another two punters!

The Lady:

About 5ft, a little overweight, pretty face, very friendly and welcoming, about 18-19 years old

The Story:

She looked young, cute and very friendly, giggled alot, DFK for an extra 20.

I liked her - she was very gentle, accomodating and very clean and I hope that other punters treat her with respect. To be honest she was not attractive enough to consider another visit, but I would be happy to recommend her for a one-off.
