The Premises:

Well described, discreet entrance not sure the door bell worked but a knock on the door got an answer

The Lady:

Beautiful black lady, lovely body quite tall and really attractive

really well spoken, from Oxfordshire. She is a genuinely attractive woman

The Story:

She entered the room, went through the options. I chose a massage followed by domination. After massage received tie and tease, (wished I had chosen for the sex option) then untied for over knee spanking, shoe and heel worship, then some anal play on me. Finally she made me wank myself off. She was a bit gentle and did not force me to eat it though, she said all men fail to do that.....

Really great go and see her boys
