### The Premises:

Hotel in City Centre, tastefully redecorated Dollymopp style!

### The Lady:

Drop dead gorgeous! Black shoulder length hair, lovely pale complexion and blue eyes. Curvy in all the right places with perfect sized breast.

### The Story:

Greeted with a huge smile and a lovely welcoming kiss. Shared some champagne and chatted for a while- an excellent conversationalist who puts you at ease immediately. Whilst talking you can feel the sense of anticipation building until the fun begins, and what fun! I don't do too many details but it is everything you thought it would be and more- a true Real Lover Experience. And she kisses with absolute passion! Thanks, Dolly, we will meet again of that I am very sure.
