The Premises:

Have wanted to see Crystal since she appeared on the scene a few years ago. Venue well documented by others. Plenty of parking space on a Sunday.

The Lady:

Completely as her pictures, a busty (enhanced) blonde with a very beautiful face and piercing eyes. Why are so many women so critical of themselves?

The Story:

After a shower I was on my front and Crystal proceeded to give a wonderfully relaxing massage. When she was leaning over me I felt her push her body against my head. This was when I asked if she would go topless for me, ?10 well spent as I learned when I turned over, gorgeous soft breasts which Crystal rubbed against me at every opportunity. Eventually it was time for the happy ending and my cock liked the effect Crystal's hand produced while she maintained beautiful eye contact with mine. I exploded with absolute pleasure. This young lady made me feel so relaxed as we chatted comfortably. To be repeated when I'm next able to make the trip.
