The Story:

This is the Third time that I have seen Linzi. And what can I say she is like a drug! You just want more.

What can I say.... I am like her Asian Slave lol

A very friendly, welcoming lady. Great personality or should I say a great pair of personalities lol

All started with a great relaxing massage. I had a pain in my lower back and she concentrated on that region.

All was fantastic and ended in a very very happy ending.

I will be going again very very soon
