The Story:

A good steady punt, Sammy rubbed my cock through my panties and got it nice and stiff, she offered OWO for ?10 extra i duitifully agreed she was gentle and it felt good. I think sucked her nipples which are nice and big on those enhanced breasts, she slipped on the mack and i banged away in mish, Sammy was tight and wet, i asked her to bendover so i could do her doggy style and i finished shooting my load looking at her ass which was expertly bobbing up and down. She does offer CIM which would have been nice but i did not want to take my dick out of her toght shaven haven maybe next time.
