### The Premises:

Delightful flat in South London - Angela suspects that she's not the only lady working in the building! Parking outside, or close to the train station.

### The Lady:

Angela is a mature lady in fantastic shape - I don't believe her stated age for a minute! Obviously not some skinny 20 year old, but perfectly proportioned, and looks fantastic in some skimpy lingerie...!

### The Story:

Difficult to know which highlights to report! Angela is incredibly welcoming, and with a glass of wine we adjourned to the bedroom. Angela describes herself as submissive, but is not passive by any stretch of the imagination! After a phenomenal blowjob, and a 69 with a little ass-play, we had a delightful screw which ended with us coming almost simultaneously...

Sadly had to leave too soon afterwards, but will be back to enjoy Angela's company very soon... Treat her carefully guys - she's a gem!
