The Premises:

A reasonable punting location. Clean and safe. I guess you could park on the forecourt outside but there are meters not too far away as well. Hatton Cross station is walking distance away.

The Lady:

Linda is blonde, Czech and larger than the size 10 quoted over the phone (try size 14). I'd estimate that she is mid to late 20's but I was told 22. I thought she was pretty. Nice tan.

The Story:

Paid for OWO/sex and wanted kissing too but was told it would be ?10 more for "lip kissing" so I decided against that. Things started with a nice massage including some ball tickling and 'credit card swipes'.

When I turned over Linda kissed my face and neck (but not mouth). OWO was good and deep once she'd stopped using so much hand. She licked my balls too. I played with her large jugs and received a titwank. A nice mood had arisen and she seemed to be enjoying things as much as me. Pleasingly there was no rush. I pulled her towards me for a cuddle and reached back to rub her vag. She was moist. More OWO. I fucked her mish and she began to get into it, if she didn't cum she got close. I shot my load. She needed cooling down afterwards and fanned herself.

For the money this was a good experience, Linda was fun and willing. A decent no-frills flat, just be prepared for the maid's 'generous' descriptions of the girls.
