### The Story:

started off with some caressing and kissing when entered room, then we both stripped off and onto bed for more mutual touching and kissing. then Rosy went straight down on me and gave excellent oral, with good deep throat, into reverse oral and sweet tasting pussy. She then lay down where I gave her more oral, then switched over positions to where I received a lot of very good rimming and oral where I proceeded to cum into her mouth... offered massage after, which I declined however next time I shall accept and hopefully have a 2nd round
