The Premises:

Rear of the building opposite Lidl's on Chesterfield Road. A nice flat at the top of a set of wooden steps. Plenty of street parking available. On entering madam sent me upstairs to a bedroom, Nadia promptly arrived, took my money downstairs, and was back before i was undressed.

The Lady:

Stunning thai girl in her early twenties. Beautiful eyes, seductive smile, and a fantastic slim body with a lovely bum. Firm, pert, possibly enhanced boobs too. Drop dead gorgeous.

The Story:

Nadia offered me a massage, which i declined as i was horny and wanted to crack on. I sucked on her breasts, which she then rubbed all over my body whilst kissing me all over inbetween. I gave reverse oral, and she popped a condom in her mouth, securing it onto my todger without using her hands. She gives great oral, and my balls also got attention from her expert tongue and mouth. My cock was throbbing with an urgent need, and she knew it. She asked which of us was going on top. I settled into mish for 10 glorious minutes. Thai punts sometimes restrict your movements during sex, or prevent your full length going in, but Nadia gave me full rein to screw her hard with a smile on her face and full eye contact. An ace punt from this charming, sweet girl, and when she says "alright mate" in a knowingly funny english accent, it is the cutest thing ever. Visit this girl!
