The Story:

Couldnt have my regular girl and not to sure about Marie who was on offer as Id seen reports on Punternet of her being a bit of a mean black leather girl who likes to be in charge which is not my stile but they said she did normal stuff so thought Id risk it. Well glad I did cus she was as I have said just great and was really soft and kind to me so I found it difficult to believe she did all that dom stuff as well. We had a great time lovely massage with lots of sexy contact from her hands her tits and that long tickly hair. She got me good and hard I can tell you and though I had plenty of ideas we had only done a couple of positions before I was so sexed up I was shootin my load. Wish it had lasted longer but she was just toooo sexy. Afterwards she didn't rush me and it was so nice to lie there feeling sexy and relaxed, for a bit. We had a bit of a chat while she cleaned up the room and I went home feelin well satisfied. Just how a punt should be.
