The Story:

decided to treat myself again,maybe too often,on a last minute fri night fuck.when entering the bedroom,hugs and plenty kissing and groping,cash settled then made myself naked on bed. more kissing from michelle,then of with her underwear and proceeded to suck her nipples on her ample chest.Down to give her some oral of which she was very responsive and wet.Upwards to thrust my cock down her throat,very deepthroat and excellent oral techniques,lay back where she sucked more and more then on with the condom and with her on top,,very wet pussy,some doggy the standing over the bed to give her more.. finished off with more deepthroting and cumming over her ample chest..she declined a facial or cim..shame
