The Premises:

The flat is above Bond Street Tube Station, a bit small but safe and clean.

The Lady:

Similar to pictures, but has acne and a little bit more weight than as pictures show.

The Story:

When I entered the flat I was very surprised as she looked weightier than her photos on the website showed her and had a case of acne which again did not show on the the photos of the website. Anyway we proceeded to matters... I will not bore you but she was totally uninterested in what she was doing and I was out of there 15 minutes later. Real waste of money and time. AVOID! AVOID! AVOID! Better to have done it myself.
