The Premises:

Well known. Convenient car park and quite discretely positioned door quickly answered by receptionist. Room with shower, massage bed and various potions etc.

The Lady:

Blonde bombshell with piercingly direct look. So easy to talk to and so quick to pick up on where your thoughts are going whatever the subject.

The Story:

Started with Crystal doing massage but, although I will have a full massage another time, this time I decided I would like to massage her and she was happy to accept. She is an easy person to ask or suggest things to though I wasn't expecting her to ask for a naturist service...

Immediately became the most natural thing in the world to be massaging the body of such a famous young lady with naturally flowing chat and very occasional comfortable silences.

Tempting to go back to try the different massage styles and additional sorts of potions used but really enjoyed this session.

Lovely way to be re-acquainted with Crystal and it is obvious the services provided are thoughtful and effective.

Thanks Crystal.
