The Lady:

Kelly is a love looking lady, around 23yrs old, lovely blonde hair, she had great tits. She looks about size 12 and lovely bum.

The Story:

Initially she is very warm and friendly - we had a good discussion about what I wanted we paid her, and she left the room while I undressed and showered. When she returned she was dressed in see-through knickers high heels and very sexy baby doll top she was very hot!

She started to massage me all over and the odd nibble here and there, and some kissing on the lips and body I knew she was teasing me but it felt really good and made me feel like the only one alive. Then she got on top of me and we were kissing and fondling each other for ages. We started having sex on the bed she on top then she said do me from behind so I got behind her and push myself in her, this was the best sex I've had for a long time.

We finished, we had chat, and i really enjoyed my time with Kelly will be see her again soon
