The Premises:

Been here many years ago, very discreet door in a lane that you just walk in. It is clear that some work has been done in the place. All clean and very welcoming.

The Lady:

Steff opened the door and I knew i was in for a treat. Slim long legs, nice ass with long dark curly hair. Other girl in front room was a slim sexy looking Blonde who steff said was Kyle, I wish I had taken ??45 with me to treat myself to a 2 girl !

The Story:

Steff Steff steff, what have you done to me !!! Behind that little black number she had on was the body with legs that go on and on not to mention a nice pair of tits.

After a teasing massage i turned on to my back and holy Sh*t did I have the best BJ (OW)I have had in years, I wish I could taken it for the whole half hour.. I had to tell steff to stop as my time would have been up and her pussy looked just too inviting for me to pass. So off we went. she is one hot ride. I need to come back and spend more time with steff, and I will be returning to see the other girls over time.
