The Premises:

Well-established parlour in Attercliffe's legendary punting district.

The Lady:

All the girls that introduced themselves were nice, but Demi really stood out. She's got long black hair and legs that go on forever. My eyes nearly popped out when she walked in, wearing a very short, skimpy dress and heels. She's one of the prettiest wgs I've ever seen.

The Story:

She's also great in the room, doing everything at exactly the pace I wanted. Lots of kissing and cuddling, an excellent slow blow job with loads of eye contact. As this was my first punt for a while, I was on the edge almost immediately and was never going to last long once getting inside her. There was no rush afterwards either, and we chatted for a bit.

Fifteen minutes later, I hadn't taken the smile off my face, so I decided to go back for round two. However, as I walked in, Demi was heading upstairs for another booking so I left it. I will definitely return to see her.
