Henna is a very friendly and articulate Indian girl with long dark hair and a caramel complexion.

The Story:

The session commenced with a really lovely massage which was so soothing and interspersed with tickling which was very arousing. Henna then came on top and we had a very vigorous sex session culminating in us both coming. I was really spent, but somehow managed to still have an erection. If I hadn't arranged to meet someone I would have asked for a slow hand job because Henna has such a lovely touch.
