The Premises:

Semi detached house, on a busy road. I parked around the corner and walked to her place. It felt anonymous and safe.

The Lady:

Fit and firm size 8 Brunette, with natural size B's. I'm sure she could play tennis without a bra, but she wore cute lingerie which I enjoyed removing. Absolutely gorgeous face, with stunning big blue eyes, and the slight hint of a Polish accent which was altogether very agreeable! 10 out of 10 for me.

The Story:

Ana welcomed me in and put me at ease immediately. I chose to spend an hour with her, which meant we could get to know each other a bit, which made the encounter much richer for me. Ana is really fun to be with. She has some funny stories to tell, and she made me feel like the only man in the world for an hour. She gave me the sense that she really enjoyed being with me too.

After a bit of massage, and me getting to explore and enjoy her wonderful body, we got down to some mutual oral enjoyment. I managed to make her cum (not sure if I believe her!) but it was a nice sunny day, and things seemed to be going very well. For round one, Ana brought me to orgasm with her wonderful oral skills, and then we indulged in a bit of pre-arranged snowballing, which was something I had wanted to try, after recently reading about it on Punternet.

After that we cuddled, kissed and chatted until I felt the juices flowing again, and I re-started my engines and began to discover her tremendous body anew. After some more kissing and petting, we got down to it, and were quickly up to speed, and after a couple of minutes in a couple of enjoyable positions, (Ana is very interactive and responsive), she finished me off by hand, over her chest, which I enjoyed the sight of, and she seemed to as well.

She's not a clockwatcher, so we spent some more enjoyable time together afterwards, until I had to go, and completing the GFE fully, as it were, she was wonderful company even to the end, seeing me out with a lovely cuddle and kiss.
