The Premises:

In the middle of shops. OK at daytime. 1st floor flat. Wasn't keen on waiting for her to answer door

The Lady:

Typical eastern european girl. 5'5 blondish hair. probably a tattoo somewhere but overall acceptable

The Story:

her ad (with pic) led me to her and I wasn't disappointed. the only thing I would mention is try to avoid the bedroom to the left. the bed will probably cause you an injury with the springs. Started with a back massage then on turning over, she gasped at the size of my dick (she'd probably never seen one that average-small). However she sat on top of me and rode me till she asked me if I wanted to change. On swapping positions I nearly lost my stiffness but recovered by doing bareback. Boy did I shoot it all over her. No c.i.m. allowed. Very satisfactory punt
