The Story:

Spent an hour with Gaby yesterday afternoon.

As I'm planning on a two-girl booking for my birthday, I thought I should make sure I'd had a one-to-one with each of the candidates first. Meeting Gaby rounded off my 'research'.

After a slight panic with the intercom at the apartment block (I hope they get that '1' button working reliably again soon!), I made my way up to the flat, knocked on the door, and almost immediately heard the sound of sharp spiky heels approaching to let me in.

Once inside, Gaby greeted me with plenty of passionate kissing in the hallway, before fetching an orange juice and joining me on the sofa. Gaby is only 19 years old, and although I didn't feel that the conversation flowed quite as naturally as with some of the IK girls, she was nonetheless a charming and pretty companion. We kissed a lot more, with tongues, and soon Gaby unbuttoned my shirt and stroked my chest, gently teasing my nipples as she did. I slipped one of her small but extremely pert breasts out and sucked her nipple. She then proceeded to undo my belt and unbutton my fly, then stroked my already hard cock. Fearing I aS going to blow everything way too soon, I suggested she run me a shower. This she did, and I told her I would see her in the bedroom, specifying that she should slip her dress off, but keep her stockings and high heels on.

When I emerged from the shower, Gaby was kneeling on the bed waiting for me. As I stood in front of her, we kissed some more and I ran my hands over her lovely shapely body. Then I dispensed with the towel and Gaby leant forward and gently took me in her mouth. I was positioned just nicely to be able to watch in the mirror as she sucked my cock, but again I had to slow her down for fear of finishing too quickly. I lay down on the bed and she licked and sucked my balls, then I turned my attention to her. I started by sucking her nipples some more, then worked my way down until she

slipped out of her knickers, and I had the pleasure of licking and sucking her sweet, smooth pussy. At first I thought I wasn't hitting the spot, but eventually she gripped my hand and gently but persuasively held my head down on her pussy as her hips started to buck involuntarily until she was satisfied. There was something very sexy about such a young girl directing a man of my age like this!

Next, it was time for me to slip on a condom and and slide myself into Gaby. Still mindful of not wanting to cum too soon, I didn't go for full-on thrusts, preferring instead a slow grind. Starting from the missionary position, we gradually moved until Gaby was on top and I could enjoy playing with her breasts while she squeezed my cock with her well-toned pussy muscles. Eventually, I felt it was time to let go, and I had a fine strong orgasm inside her.

Even after that, Gaby didn't stop paying attention to my cock, but I couldn't recover soon enough for a second round. Instead we settled for a nice relaxing massage and a cuddle before she ran me another shower, and I dressed and left having had a very pleasing time.

As ever with IK, the service was impeccable, and Gaby was a delightful partner for the hour.
