The Premises:

Usual, as previously mentioned.

The Lady:

WOW, Lord have mercy. Karina is a GORGEOUS Spanish lady. Physically, she is my kinda woman. Accurate website pics. Equally important, she is gorgeous from the inside as well.

The Story:

This is my second visit today. I needed the touch of a beautiful woman. Boy I was not disappointed.

I had a great time with Karina. She is a very pleasant lady to spend time with. Drop dead gorgeous looks. Great to talk with. Great in the action department. What more can a man ask for?

Thank you Karina, you are a babe.

On a side note. IM is simply one of the best. On my way out the owner saw me and was like what are you doing here again? He then gave me a tenner back, which is a very nice touch. The owner is a real gentleman and looks after me everytime I visit. My last visit I arrived a little early & Natasha had not arrived yet, so he allowed me to go up to the roof terrace & have a smoke while I waited. When it comes to customer service, from my personal experience, IM is simply the best.

I don't know if it is OK to mention the owner's name or not, so I'll just say a BIG thank you to IM.

Service Provider's Rebuttal

The establishment writes:

To avoid confusion, Intimate Massage do not offer discounts on the hourly rate. After a half hour stay the client decided to extend his time to an hour and was overcharged in error.
