The Lady:

Slim girl described on the phone as half Thai half Chinese. I don't know how old she is but would guess at 30ish. Nikki is petite with long dark hair and small tits but with huge nipples which she liked being fondled.

The Story:

Started on my front with a massage which was quite firm and relaxing and later turned to more sensual which was nice. Turned over and I thought things were going to go wrong from here when she tried to put the rubber on my floppy dick - not an easy feat but fortunately he seemed to sense the situation and stood to attention!

She gave very good covered oral with good eye contact followed by her on top and then finished off in mish. Overall a decent punt especially for ?40. The only thing that spoilt it a bit for me was the amount of lube she put on my cock and her fanny which made her feel very loose.
