The Premises:

Outcall to my hotel situated right on the sea front in a little village 10 minutes from Weston. Hotel was clean and tidy but the room was extremely hot and stuffy. Totally safe area.

The Lady:

Emily is 5ft 6 tall, aged 19 and a size 16, brown hair and sexy big blue eyes. A very beautiful young girl.

She looks just like her photos and the description is very accurate.

She arrived wearing casual dress as we planned as the hotel was very busy with guests everywhere.

The Story:

I met Emily straight out of her taxi and she came across as confident and chatty like we'd know each other for years.

She's very down to earth and very good fun to be with and certainly not like some 19 year olds who tend to be up their own arse.

Once in the bedroom, Emily stripped off and sat on my lap while we kissed and touched. I love kissing and so does Emily, so we kissed non stop for 10 minutes.

We were soon both naked and all the usual followed. She loves RO just as much as I do, and is pretty well up for anything. Obviously and sensibly, no bareback.

Everything we'd discussed in our emails, we tried on the night.

There was certainly no clock watching and Emily only looked at the time once and that was because I asked her to.

Overall, a great evening with a gorgeous, friendly and sexy young girl. I enjoyed every minute and I think Emily genuinely did too.

She offers incalls in Weston or outcalls, and sometimes works as a duo with her friend.

Definately recommended.
