Intimate parlour. Reported before. All fine and dandy. Pay and display parking directly outside.

The Lady:

I can see that the photos on the website are her, but they aren't the best pictures you will see.

Brazilian, petite, blonde and her English is good too. The website description of 34DD is ridiculous as the photographs show. Hopefully that is a mistake that Intimate will rectify.

The Story:

Arrived and was told only one lady free, so met Bianca. To be honest I don't think I would have picked her if I had had a choice, but I am glad I didn't.

We undressed each other on the sofa then moved to the bed. Lots of kissing, on to oral and 69, followed sex in four or five various positions.

She was fully aware of the time throughout as big clock on the wall, but over ran which didn't seem to be a problem. Like to think it was because she was enjoying herself!!!

Definitely worth a visit, will go for longer next time.
