The Premises:

Apartment, 5 minutes walk from Victoria Station. Discreet, secure and easy to find. The apartment was surprisingly large and well-appointed - much more so than the building would suggest. Felt very safe from the moment I was 'buzzed' in.

The Lady:

About 5'7" tall, mid-twenties, curvaceous and very pretty. I'd booked a schoolgirl submissive session and she didn't disappoint. She dressed exactly as I had requested from my initial e-mail contact.

The Story:

This was my first role-play ever and I'd picked Emma because of her positive reviews. I e-mailed her the scenario and she clearly read it, digested it and e-mailed back. I then booked the session through her assistant Natalie - lovely lady - very warm and efficient. When I got there Emma was keen to discuss the role-play in more detail, so she got it right. And she did - it was wonderful - and her acting excellent. She clearly loves providing this type of service and does it very well. You should go for it gentlemen - but please treat her with the respect she deserves.
