### The Premises:

Top floor flat off Gloucester Place. Not sure if the lift works. I took the stairs. Ok inside.

### The Lady:

Web pix are reasonably accurate. Fairly pretty EE girl in her mid-20s.

### The Story:

This is going to be a fairly useless FR since I can't remember much about this punt. Still, what I do remember is that she is from Latvia, speaks decent English and was ok with toy play and reverse oral. No complaints but not memorable either.
