Upstairs flat in terraced house, but large enough. Area was very quiet. A burglar could have a field day

The Lady:

quite attractive. 5'6 with mousey coloured short hair, different from photos but still nice to look at. probably a 34b in breast dept. Not small but not large. Kind of girl you'd readily take out for a date

The Story:

Having read other FR's, I felt I needed to give her a try. My love of Polish girls is restricted to good lookers. She speaks perfect English (for a change) and after pleasantries were handed over it was str8 down to business. Having taken a blue pill prior to seeing her, I wanted to draw it out for a time. She started with a superb BJ (uncovered), I gave her a good licking and on asking her the best way to make her come she allowed me to continue until she orgasmed. This was not a fake!. After she rode on top of me, I asked if I could try anal, and she agreed. The pill was working well and she allowed me to fuck her in the arse. What a doll. Still not having cum, we went back to a blow job again then on to my favourite position of sex on a chair with her sitting on my lap and finally still not having cum, I asked her to sit on the chair & play with herself while I wanked until such time as I was ready to blow & she came over to me & let me cum in her mouth. What a girl. Got to be the best ever punt for me. 11/10. Don't want to recommend Genevieve to others as I want her to myself, but I believe she is finishing as an escort soon so don't wait too long
