The Lady:

Beautiful English lady in her 30s.

The Story:

Abi's directions to her place from Victoria were easy to follow and I was there in a few minutes. When she opened the door of her flat I was struck by how pretty she was and I was very glad that I had made the booking.

We sat on her sofa and chatted for some time over several glasses of orange juice. Abi has a delightfully wicked sense of humor and is a great conversationalist. I was quickly at my ease.

She led the way to the bedroom, put on some music, and we undressed. She was wearing the bra and panties set that is featured on her Intro page. I felt like a schoolboy in a sweetshop as I removed them to reveal her beautiful naked body. As she says on her website: "a stunning, petite, size 6 body that is perfect for sex" - and that is a very accurate summation)

The rest of the time is a blur of one erotic delight after another. She is a consummate lover and knows exactly how to pleasure a man. Her oral skills in particular are remarkable and are guaranteed to leave one thoroughly sated. Abi also does a great massage which she pleased me with after I had finally climaxed.

A fabulous experience and one that I cannot recommend highly enough. Thanks Abi!
