### The Story:

my first time at LMP, but not the last. all the girls were fab and very hands on. they all had great bodies. at one time had 4 girls giving me pleasure. Had a short rest, the went back down stairs where stella and amanda were lying face down on a bed. started messing around with them. i was in heaven. then another guy turned up and started fucking amanda. then one more guy arrived and started fucking stella while stella was giving me a fab bj. it was just great. this is the best party in london. LM was very welcoming and made sure you started off with the girls.
