The Premises:

Split level serviced appartment in a victorian conversion. lounge,kitchen,bathroom,bedroom. clean,safe,busy as a hotel,lots of tourists in and out,lift to all floors,off main road.

The Lady:

Sexy,very friendly thai/chinese girl dressed as i asked,looking like her photos on her website. Large enhanced breasts,piercings through her nipples and labia,shaven,tattoos as shown in all her pics. This is the real Tigerr.

Schoolgirl dress ,no bra,white panties,white knee socks,white high heels [she wasn't wearing the school tie but she quickly put mine around her neck and i left it with her as a present]

The Story:

Tigerr provides all services,nothing would shock her,if you can think of it,she has done it before.

Her services are listed on her site,my experience was, DFK.GFE.tongue play, OWO ball play CIM swallow RO face sitting, 69...

i had a big build up to this punt,booked it about 2 weeks before by voice mail and texts,never actually speaking to her. Tigerr moves around a lot ,can't imagine you can get a short notice booking with an international asian porn star .

Tigerr took good care of me. I had it planned to walk straight into her appartment and go into the naughty schoolgirl roleplay but when she greeted me all that went out of the window.

I think she has a way to read what type of guy comes in and what he needs rather than what he thinks he needs a bit like a doctor, Dr.Benson writing out your prescription as soon as you meet.

She led me into her bedroom and hugged and kissed me passionatly pushing her body into mine.she removed my shirt,i took off my shoes and she laid me on her bed.

she lay over me kissing me more and more , i returned her kisses and moved on to kiss and lick her

shaven armpits. Now this is the only girl i have met who knows and enjoys the eroticism of this part of the body. No giggling, no ticklishness, pure sexual enjoyment for both of us. Most WG I meet shy away or take this as too intimate a part of their body to share. The satisfaction from this act will bring me back to see her I know. Tigerr is a true professional.

Her hand went into my trousers bringing me to erection, she took off my trousers and boxers and still kissing deeply positioned herself to suck me, caress me, while i looked down at her skillful work.

I took off her pants and she swung her legs over my body into a 69 position. I tasted her pussy saying,

" if you get me in this position i will come "

sure enough in not too long a time i came into her mouth.

"I was only going slowly" she told me much later.

She stayed there sucking every last drop. Her head came up, she opened her mouth to show me my come laid on her tongue. Then in one gulp she swallowed it and showed me her now empty mouth.

"you must have been saving it up, that's a lot ", she said.

"yeh, saving it up for you " ,I replied, drained.

"it's in my stomach now", she said smiling.

We laid back and talked. It was so interesting talking to her. I found we had things in common e.g. a liking for japanese porn movies, japanese girls. she answered the \$64,000 question, where to find the cute japanese WG here in london ?

There isn't one ,why would there be one ?

Back to sex ,i asked her to sit on my face and she climbed over me lowering her pussy so just the lips were resting on my tongue supporting her bodyweight so expertly. this went on for some time, she enjoyed it.

But then Tigerr enjoys all aspects of sex, she makes it fun or serious loving her work, I do believe that. more talking , it was developing into an interview, I was hungry for her knowledge, wanting to learn from her experiences.

She seemed to know the time without looking at a clock, I never saw one, but then I never took my eyes off her, never once, we were 10 mins over and her next booking was in 20 mins.

" the only way you will get me to leave is to say, you must go now ----"

"you must go now ----" she said smiling.

I tried to pick her up and take her with me ,I didn't want this to be over.

End of story.

Tigerr's world punting....

I left a happy man, felt I definitely made a connection with this girl on a mental level, we had both punted around the world in the same places . Amsterdam, New York ,Tokyo, Brussels , Bangkok, a

basic kind hearted friendly east end girl who left me completely satisfied.

24 hours later got a "lovely to have met you "text from her and 24 hours later she is still walking round with my sperm inside her.

where do i go from here ? , will see her again for sure, drained my cock, will drain my bank account.

catch her when you can.... The Tigerr roars but doesn't bite.
