### The Premises:

Private Flat

in the Kirkstall area of Leeds

Very clean smart premises on suite showers in the room and a nice large new bed with excellent decor and linen and silk bedding

ample parking at the rear of the premises and discreet entrance via a stair way up to the first floor.

on ringing the telephone number listed i was given directions to the address

there is a receptionist and one girl working here, I guess the receptionist is for security.

i felt safe and sound here and my car also was off road parking and safe.

### The Lady:

Katie is a size 10 bubbly very attractive strawberry blonde standing at about 5/7 tall

Nice pair of ample size breasts with petite little nipples standing out and wanting a gentle tweak.

Katie is well presented with nice black underwear matching top and bottom

porcelain complexion that highlights her hair and an English rose by nature and at the same time i

could imagine her in a school girl uniform and say she could pass off very easily as a student type lol

she was wearing hold ups and very nice leggings to make them

i would say this is a very nice royal mail package

### The Story:

I arrived and was offered a seat and refreshments by the receptionist

once seated i was introduced to Katie who was available by the time i had my tea she had taken the

next punter and i had a second cuppa whilst waiting for her to be free.

she was extremely busy as i sat there the phone never stop ringing

eventually she was free to see me and we climb the stairs to what i now know and can only describe as heaven.

in the room there was not much we did not get up to and what we did get up to was a right roll

royce service amongst the best i have ever had in Leeds

You will not get disappointed here guys she is a little cracker and good at what she does and enjoys it with genuine enthusiasm

top punt thx Katie love xx The Chef

i was due at a different venue and i have found one
