The Lady:

Petite and very pretty girl around 25 years old who told me she was from Cambodia

The Story:

She greeted me as requested in sexy underwear. As soon as payment was made she brought me a nice red wine handed it to me and thrust her hand down my pants - what a nice way to serve wine. Lots of kissing and fondling followed before she eagerly steered my rod in to her mouth and sucked and sucked. On this day I was keen to give A level instruction which she accepted without complaint. I enjoyed the hour with Diamond who offers a great service with my only criticism being that this day I was in the mood for GFE and she was a little mechanical for my taste. However I would see her again when I was in PSE mood.
