The Premises:

She had rented a lovely wee flat just off the royal mile in edinburgh, very quaint and clean! across road from parliament!

The Lady:

Cute little Thai girl, late 20's early 30's maybe, lovely figure, has been described many times!

The Story:

Started off with shower, then had planned for rimming, anal the facial, had some delicious rimming and then turned over, was pretty tightly wound and just erupted in Rosie's mouth soon after, her spitting into the bin was a bit of a turn-off though! Another good punt though, she is great VFM!
