The Lady:

Tall, slim blond. Actually very tall in her 3 inch heels which brought her up to about 5'10" and absolutely perfect for me. Medium sized breasts, but I'm quite turned on by them now (Chelsea converted me to smallish breasts), pretty face, lovely smile BUT an absolutely gorgeous ARSE - two wonderful handfulls.

The Story:

I'd met Holly once before when she'd wanked me off to perfection - really turned me on; I can be quite difficult to wank properly, for instance Nina (who I fancy like hell and always gets a good fucking) has never managed it well, but Holly did me so well that I begged her to fuck me - which she refused to do because I was all oiled up!

Anyway, this time I'd learned my lesson and dispensed with the J Arthur and had a lovely fuck instead: Holly did the hands on my arse bit to pull me in which I find very sexy and then as a bonus gave my arse a good slap every now and again for encouragement - wonderful.
