Chelsea's was clean and tidy, the frontdoor is on a busy street but you can walk straight into a lobby area. The room is fit for the purpose with shower facilities and a tv playing porn.

The Lady:

Beautiful, tall slim about size 8, very pert boobs and arse, long dark hair and lovely and smooth down below

The Story:

on arrival was welcomed by one hot young lady, after sorting out what service i wanted Chelsea started with a nice and relaxed massage hitting all the right places then turned over for more on my front, by this time i was rock hard then on to oral both ways and oh my god her pussy is just like sweet nectar i could of stayed there all day. Then on to the finally in mish major explosion when i finally came. All in all it took some getting to see Chelsea but boy it was well worth every penny cant wait till the next visit.
