The Premises:

Nice private accomodation in a nice location, no problems with parking and totally safe no worries at all, asked to remove shoes on entry which is fair enough as its a spotless property.

The Lady:

Fantastic shape curvy and in all the right places and trust me she is sexy and very pretty with tits to die for with big suckable nipples, fully shaven and tastes just sweet.

The Story:

Opted for a GFE service and this did not disappoint, felt like i had known her for ages very welcoming with plenty of kissing, cuddling and fondling, no sooner had we undressed she had my cock in her mouth but had to hold back as i wanted to prolong the experience. Lots of reverse oral which she seemed to love no faking here she loved it, after much kissing sucking licking, 69 and owo it was on with the glove and fucked in as many positions as i could think of, i finished off in her mouth, this was the best gfe i have had up to now and im already saving for my next trip to see kelly and she also works with a sexy GF now that i gotta try mmmmmmm
