The Premises:

2/4 Old Compton Street - door next to a restaurant near (charing cross) end of road. It is usually fairly quiet so discreet(ish) entrance. The flat itself is an ok size, seperate waiting room so no bumping into the next bloke. A long 'menu' on the wall.

The Lady:

Paris has been described many times and no description no matter how good does her justice. Imagine a hot, beautiful, platinum blond and you have Paris. A slim, sexy, tight body with great round amazing breasts. Her face is pretty, cute, sexy, with deep gorgeous eyes

The Story:

A quick lunchtime visit so went for 10 mins oral for ?25. I lay down on the bed and after spending a while sucking her tits she slipped on the rubber and started sucking away, with her legs spread so I could play with her pussy. What a girl!! Hard, fast, deep. Looking into her sexy eyes with variuos parts of her body in my hands and her soft lips round my cock she had me finished in no time.

No question that she is one of (if not the,) best wg's in Soho
