The Premises:

This was at the new Vixens location in Christchurch Road. I was able to park easily round the corner (free!) The premises are of the same high standard decoratively as their previous location.

The Lady:

Dara is a 24 years old Brazilian lady with gorgeous coffee coloured skin brown eyes and hair. 5ft 5in, 34d, size 8, although she has a smallish tattoo on the base of her abdomen this is not too obvious against her coffee coloured skin. She has two small piercings, one in her stomach button and the other at the top of her clit.

The Story:

None of my regular ladies in this area were available so I decided to visit Vixens, where I have previously had satisfactory encounters.

Although Dara's English was a little limited and she was younger than my preferred age, this was a great fun encounter, she seemed to enjoy the cuddling and caressing, provided very enjoyable oral with, some enthusiastic cowgirl and a finish in mish. She seemed to be in no hurry to finish and we lay there with more cuddling caressing and chatting and insisted on cleaning me up.
