### The Premises:

As previously stated - door in between shops on busy street

### The Lady:

Quite slim, quite pretty, big obviously fake tender boobs. Pictures on site show her pre-op.

### The Story:

Usual story - asked if DFK was on the menu, Oh yes love was the reply, youre nice !

Handed over the readies and only allowed the lightest of kisses on the lips! OK hand job, sex in mish with an average girl who seemed like she would have been rather doing a crossword. Can you buy real tender hot sex for money ? If it wasnt for the departed Patricia of Barracuda London I would say no.
