### The Lady:

Slim, nice DD natural breasts with large nipples

### The Story:

This is a first for me as I appeared to be about to have sex with an identical woman to one I saw last year in Diamonds of Bristol, but of course, with a different name they couldn't possibly be the same woman..... Alternatively, as this is the second WG I have met in Sensations who comes from Bristol, living and working in the same city is obviously just becoming too risky!

Anyway, Toyah is a very personable South African and this time I didn't make the mistake of not having the cash on me for some reverse oral. While I object a little to paying to make women happy (I do enough of that in my day to day life), the reward was worthwhile as her juices flowed and she reached a nice strong climax for me with one digit buried deep in her pussy. That paved the way for some very enthusiastic oral in return and plenty of appreciative noises as I rode home with her bent over the end of the bed. We seemed mutually agreed that this was a satisfying punt all round.
