The Premises:

Victoria House has been well reported, this place is easily the most professional run establishment I have visited. The staff are always polite, facilities good and above all never short on a choice of sexy ladies.

The Lady:

Wow, I had a difficult choice on the day as have always wanted to visit Brooke. Sienna is simply stunning, gorgeous face! Fantastic body, tiny waist, slim and huge boobs.

The Story:

Sienna is not only gorgeous but also easy to talk to and intelligent, the conversation flowed as she gave me a slow teasing massage.

Then the uniform came off and I was offered the services (including FK and reverse oral). I went for BJ and sex which in hindsight was a mistake as this girl has one of the sexiest looking pussies I have ever seen.

Blow job was great, plenty of eye contact and attention to my balls but the best thing about the whole appointment was the reverse cow girl, the sight of my cock disappearing inside this sexy body was almost too much and I had to stop there to prevent an early ending.

Sienna finished me off with her hand in a non rushed manor!

This girl is one of the best, I hope to be back soon to see her again.
